Annual Report
PLYMOUTH
NEW HAMPSHIRE

Plymouth's Clock Tower at Night

YEAR ENDING

A TRIBUTE FOR FAITHFUL SERVICE

J. Claire Peaslee served Plymouth as its town clerk for thirty - one years. For over sixty years he was an active registered pharmacist. Either in his own stores or for others, he established a wide circle of friends over many decades.

As Town Clerk for such a long time, he came in contact with just about everybody at some time of their existence. In that period, his genial personality, his efficiency and particularly his warm interest in the affairs of the human race set him apart as a public servant.

Now in peaceful retirement at home with his wife - to whom he has been married for over sixty-five years - Mr. Peaslee may daily look back upon a life of activity during which he earned deep seated respect for integrity in public service.

TOWN MEETING — MARCH 8, 1966

At a legal meeting of the inhabitants of the Town of Plymouth, N. H. held in the Guy E. Speare Auditorium on the above date, the meeting was opened at 10:00 o'clock in the forenoon by the Moderator, Attorney George T. Ray, Jr. The reading of the 1966 Warrant was voted to be dispensed with until 7:30 in the afternoon. The polls were declared open to ballot on Articles 1 and 2; all remaining articles to be considered at 7:30 o'clock.

At 7:30 o'clock the meeting opened with a salute to the flag and prayer offered by Reverend Bayard Hancock. The Moderator gave a short summary of the events of the day and explained that the polls would be left open during part of the evening for the convenience of those who had been unable to vote earlier. He then appointed Arthur L. Carpenter, Jr. Assistant Moderator to receive and count the ballots when the polls were officially closed. Mr. Carpenter was sworn in by the Moderator. Reading of the lengthy warrant, which Mr. Ray had started, was voted to be dispensed with. The Moderator announced that barring objection the rule of reconsideration would be in effect after Article 29 had been taken up, ruling out any possibility of a minority overriding the vote of the majority late in the meeting. The articles in the Warrant were then considered.

PLYMOUTH POLICE DEPARTMENT

REPORT OF THE CHIEF OF POLICE

Another year has passed, and once again we must prepare a budget to carry on the continuing service to the citizens of the Town of Plymouth. We strive to give you the best service we can on as little funds as possible. This often calls for very close figuring in order to arrive at the correct amount, and we may not know until the last minute if the decision was right or wrong.

Continued schooling is a must, and seminars and other classes are attended by members of the department as often as feasible. Recent Supreme Court decisions have made our work even more difficult to cope with. We are forced many times to make on-the-spot decisions which may be argued in court for weeks before we know if they were correct.

The rights of the individual are just as important to us as they are to the other person. We know those rights and strive to make certain that they are respected.

We wish to thank the many fine citizens who have given freely of their time to help us in difficult situations. Without their aid our job would certainly be much more difficult.

PLYMOUTH FIRE DEPARTMENT REPORT

I was very pleased to be appointed your fire Chief on April 15th 1966 and I am very fortunate to have a very cooperative staff of Officers and men to work with. We are striving to make a better fire department for the town of Plymouth.

Undoubtedly you have noticed activity of firemen around the fire station at different intervals, this is part of our present training program.

The average Fireman in our Department now has approximately 150 hrs. of training to his credit, in ladders, pump operation, rescue and the fundamentals of fire fighting.

This has been made available to us by taking advantage of a State Financed training program in fire fighting practices.

The above mentioned program is being supplemented by our own regular training program and preplanning target areas in town.

On August 17, 1966 the Seagraves Company accepted our order for an all steel 85 ft. aerial ladder to be delivered the latter part of this summer. This unit alone will require many hours of training and practice to take advantage of such a piece of equipment.

The Fire Station has been modified to take care of the new truck and we are now waiting for the delivery.

Our Fire Report this year shows a decrease, I feel this is a reflection of the cooperation between the people of the Town and the Fire Department.

Next year I hope to be able to report even a better year, and at this time I would like to extend to the people of Plymouth an invitation to feel free to drop into the fire station at any time, and if we can help you with a fire prevention problem we wil be glad to help.

PLYMOUTH PUBLIC LIBRARY
ANNUAL REPORT — 1966

To the Trustees of the Plymouth Public Library:

This is a report of a very busy year. The library has loaned more books than ever before, answered more requests for information than ever before, and carried on many more activities than ever before.

A summer reading contest, in which thirty children participated, was conducted by Miss Nims, and prizes were awarded at a party held at the end of the summer which was highlighted by a delightful entertainment given by the author and artist couple, Margaret and Hans Rey.

Operation Headstart held its organization meeting at the library. The two Headstart classes, with their teachers, made weekly visits to the library and enjoyed a story hour each time.

Mrs. Charlotte Noyes held monthly story hours for Kindergarten to 3rd grade children until June. In September Mrs. Cynthia Faust began story hours for the 2nd and 3rd grades, while Mrs. Noyes continued with the Kindergarten and first grades.

A discussion group of boys and girls, led by Mrs. Barbara Whitwell, studied the "Junior Great Books" series. Mrs. Judith Rost assisted her. These meetings continued on into the new year.

National Book Week was celebrated by initiating a library-sponsored radio program broadcast over Station WPNH. For this first broadcast Dr. Henry Vittum led a panel discussion featuring the librarians of the three Plymouth libraries—Miss Janice Gallinger of the College, Mrs. John Noseworthy of the High School and Mrs. David Dickinson of Plymouth Public Library. The different aims and fields of service of the libraries were explained.

Children's Book Week was observed by the showing of a movie and an exhibit of books for young people. The movie was sponsored by the newly organized "Friends of the Plymouth Library."

The formation of this group of "Friends" was a momentous event for our library and we look forward to many happy and rewarding activities in the future. The group is planning to provide cultural programs for the community, and to aid in many of the routine duties of the library.

Our radio program is scheduled, for the time being, at 3:45 on alternate Fridays. It is devoted to broadcasts done by citizens who can tell about something of interest to the community, as well as to book reviews and similar library interests.

The librarians wish to make known to you their gratitude to Mrs. Virginia Scott for her faithful and lively reporting of library activities in the Plymouth Record, and to Dr. Henry Vittum for the interesting and original book reviews which appear in her column. We are grateful, also, to the Young Ladies Library Association for a substantial gift toward the purchase of a new Americana Encyclopedia, and for a handsome strip of carpet which extends from the front door of the library to the card catalog. Your librarian has attended three professional meetings during the year, and was a member of discussion panels at two of them. She also attended four meetings of the State Library book-buying group which displayed new books for consideration for purchase, and entertained one of these meetings at the Plymouth Public Library.

Respectfully submitted,

ALICE B. DICKINSON, Librarian

PLYMOUTH PARK AND RECREATION COMMISSION

Report of the Park and Recreation Director

As the first Park and Recreation Director for the Town of Plymouth I am proud to submit my initial annual report. This past year has been the first complete year under the supervision of a full-time Park and Recreation Director.

Programs which were formerly supervised by volunteers have now become a function of the Park and Recreation Department. These programs included: Senior High Canteen, Playground, Swimming, Ice Skating, and Baseball. New programs which began this past year were as follows: Skiing at Tenney Mt., Adult Volleyball, Junior High Canteen, and Basketball for all youngsters. These programs were just an initial start in an attempt to provide Plymouth with a year-round community recreation program for all ages. As our community grows and develops more recreation facilities we will gradually attain our goal of having both active and passive recreation available to everyone at all times throughout the year.

Probably the main factor which shows the true value of a community recreation program is the total participant attendance in all recreation programs. Our participant attendance total for the year was 9433. This is the sum of every attendance count taken each time a recreation program was supervised by the Park and Recreation Department. Even though there is no past total to compare with this total it will at least help to show the scope of our programs.

The facilities at our community park have been further developed and improved this past year. Our main project was the development of the ballfield.

Much work still remains to be done on this field which will be used as a Little League ball park and girls' softball field. Other accomplishments at Fox Pond Park in 1966 were: the construction of a road from the bathhouse to the ballfield, the cutting of two trails through the 14 acre park, and the installation of swings for the youngsters.

Throughout this past year our community has benefited from many donations to the Park and Recreation Department. These donations of services, equipment, land, facilities, loam, and money have been very instrumental in saving valuable tax dollars to all citizens. The Park and Recreation Commissioners and myself would like to express our thanks to the following citizens and groups for their contributions and support in 1966: Hilton Batchelder, William Batchelder, Merlond McLoud, Charles Morse, Miss Charlotte Pease, Robert and Watson Rand, Stephen Smith, Jack Wood, The Plymouth Highway Department, the Plymouth Water Department, the Plymouth School Board, Sprague Electric Company, and numerous others who have given their time to assist us at the Park and in the recreation programs.

Respectfully submitted,

GERALD T. KOZUSKO

Park and Recreation Director

AUDITORS' REPORT

As prescribed by law, we have examined the books and records maintained by the Selectmen, Town Treasurer, Town Clerk, Trustees of Trust Funds, Treasurer of the Library Trustees, Treasurer of the Park and Recreation Commission, Justice of the District Court, and Tax Collector.

The records of the individual receipts were found to be correctly cast and properly vouched. We have verified cash balances and reconciled bank statements for such officials as have town business accounts.

We have examined the securities in the Trust Funds. We have inspected the surety bonds of the Town Treasurer, Tax Collector, Town Clerk, Trustees of the Town Trust Funds, Road Agent, Chief of Police, Town Secretary and Clerk of the District Court.

INFORMATION BOOTH REPORT

February 2, 1967

Board of Selectmen
Town of Plymouth
Plymouth, N. H.

Gentlemen:

The Information Booth was opened June 24, 1966 and closed September 4, 1966.

Miss Hazel Downing capably served the public during that period expertly handling the large increase in inquiries.

There were 5,682 cars containing 18,571 persons which stopped for assistance. This is an increase of 62½% in cars and 62% in persons over 1965.

The entire appropriation was used for Miss Downing's salary and was paid to her direct by the town.

The Chamber of Commerce wishes to thank the townspeople for their assistance in maintaining the booth.

Respectfully submitted,

Clarence H. Jones, Secretary

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

FIRE RECORD

Fire records are made by people—those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire, working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966).

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.

2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owner's and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres—a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A. M. and 5:00 P. M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important—Instruct your children that matches are not playthings.

150 Permits issued. Once Fire by Lightning burned area 50 by 50 feet.

THE STATE OF NEW HAMPSHIRE

To the inhabitants of Plymouth Village Fire District qualified to vote in District Affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium on Thursday, the 16th day of March, next, at 7:30 o'clock in the afternoon to act on the following subjects.

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Treasurer for the ensuing year.

Article 4. To choose one District Commissioner for the ensuing three years.

Article 5. To choose Auditors for the ensuing year.

Article 6. To see what sum of money the District will vote to raise for fire protection for the ensuing year. (Hydrant rental)

Article 7. To see if the District will vote to authorize the Commissioners to borrow such sums of money as may be necessary to pay debts of the District and to give notes therefor, countersigned by the District Treasurer.

Article 8. To see if the District will vote to raise and appropriate the sum of Six Thousand Five Hundred Dollars ($6,500.00) for the acquisition of real estate, and costs incidental thereto, abutting land owned by the District at the site of the District reservoir for reservoir protection.

Article 9. To see if the District will authorize the Commissioners in the name of the District to convey a parcel of land not to exceed three-quarters (¾) of an acre to the White Mountain Power Company adjacent to White Mountain Power Company land between land of the Boston and Maine Railroad and the Pemigewasset River upon such conditions, restrictions and subject to such easements as the Commissioners may determine.

Article 10. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 28th day of February in the year of our Lord nineteen hundred and sixty-seven.

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Plymouth qualified to vote in District affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium in said District on the ninth day of March, 1967, at eight o'clock in the afternoon, to act upon the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a member of the School Board for the ensuing three years.

Article 4. To choose a member of the School Board to fill an unexpired term of two years.

Article 5. To choose a Treasurer for the ensuing year.

Article 6. To hear the reports of Agents, Auditors and Committees or Officers chosen, and pass any vote relating thereto.

Article 7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

Article 8. To see if the District will raise and appropriate the sum of Four Hundred Sixty-One Thousand One Hundred One Dollars and Eighty-Five Cents ($461,101.85) for the support of schools, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from State Foundation Aid Fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation which leaves an estimated balance of Two

Hundred Forty-One Thousand Sixty-Seven Dollars and Eighty-Five Cents ($241,067.85) to be raised by taxes by the town.

Article 9. To see if the District will establish a capital reserve fund under the provisions of Revised Statutes Annotated Chapter 35 and amendments thereto with funds from the sale of its school buildings for the purpose of retiring outstanding bonds of the District and for financing a part of the cost of the construction of new schools.

Article 10. To see if the District will vote to authorize the School Board to make application for and to accept on behalf of the District any and all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States.

Article 11. To see if the District will raise and appropriate a sum not to exceed Three Thousand Dollars ($3,000.00) for architectural consultation, preliminary plans, site options and related costs for a kindergarten through eight building projects.

Article 12. To see if the District will, pursuant to New Hampshire Revised Statutes Annotated 195-A:3, create an Authorized Regional Enrollment Area (AREA) School Planning Committee consisting of three qualified voters, of whom at least one shall be a member of the School Board.

Article 13. To see if the District will authorize the School Board to procure an option or options upon real estate in connection with the development of a Kindergarten through eight building project and to negotiate and determine the terms thereof.

Article 14. To choose a committee of four persons to work with the School Board in an advisory capacity as a Building Committee to study a Kindergarten through eight building project.

Article 15. To see if the District will establish a contingency fund to meet the cost of unanticipated expense which may arise during the year in an amount not exceeding One Thousand Dollars ($1,000.00), all in accordance with Revised Statutes Annotated 198:4-b.

Article 16. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 21st day of February, in the year of our Lord nineteen hundred and sixty-seven.

REPORT OF SUPERINTENDENT OF SCHOOLS

Hereby submitted is my annual report as your Superintendent of Schools.

I will not elaborate this year on the new teachers who were employed in the high school because this was taken care of in the Principal's report. I would say, however, the addition of a teacher for girls' physical education has been a major step forward. We are requesting two new teachers in the budget for next year. One will be in the area of Social Studies to take care of an expected increase of about twenty-five pupils and another in the field of English. Over the years our college-bound students have had a weakness in written composition which we would like to correct. You should know, however, that this is not a weakness in our school system alone but is nationwide. In addition to the above, I have received resignations in the Mathematics and French departments. Contacts have already been made and preliminary interviews held preparatory to filling the positions.

The decision has been made with reluctance not to continue the Special Class next year. The class never did reach a size that was economical to operate and with the anticipated migration out of the district of some of the pupils, the cost for next year would be prohibitive. I hope continuation would be considered at a future date if space can be provided and the number of pupils justify such action. Next year we will have reached the point where there is absolutely no chance for expansion into other classrooms in either the elementary or high school which makes it all the more imperative that we get to work as soon as possible on the solution of our school building problems.

We were sorry to have the Thompsons leave as Supervisors of the Hot Lunch Program. When Mr.

Thompson took employment elsewhere, Mrs. Thompson thought she could handle the program alone along with the helpers but it was too much for her and she resigned in December. Mrs. Champney who was employed to fill the vacancy has proven to be a good choice.

The vote taken at the recent meeting to allow the school board to negotiate with the University of New Hampshire Trustees was most gratifying. New facilities are badly needed and probably would do more than any other one thing for the continued growth and prosperity of the town. First and more important it will provide modern educational facilities for the children of Plymouth. Contrary to what many people think, teachers can teach better and children learn more readily in pleasant up-to-date surroundings. The pride that teachers and children take in new, clean, modern educational surroundings is bound to have positive affects. Hopefully, with much hard work, by the time another school district meeting is held a year from now, we will be well on the way. As has been mentioned recently, we presently are in the unique position of having a possible buyer for used school buildings. Due to this fact, for a capital investment of about $400,000 on the part of the district, it may be possible to erect over two and one-half million dollars worth of schools. It is an opportunity in my opinion again, that we cannot afford to pass up. Much must be done and accomplished in the months ahead but through public hearings and the local press, the district will be kept informed of developments.

Respectfully submitted,

M. WAYNE BOWIE

Superintendent of Schools

EXPLANATION OF SUPERINTENDENT'S SALARY

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the superintendent of schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report of the total salary paid to the superintendent showing in detail the amount paid by the state and each local school district, and their share of same. Said report shall be filed with the school board of each school district involved and shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrator, if any is in service in the union."

One half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of $10,850.00 which was received by the Superintendent of Schools of Supervisory Union #48 during the 1965-66 school year was made up as follows: $5,000.00 paid by the State of New Hampshire and $5,850.00 pro-rated among the several school districts which now include Warren. Allowances of $1,300.00 for travel within the Union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each of the six school districts:

	Salary	Travel
Campton	$ 982.80	$ 218.40
Plymouth	2,848.95	633.10
Rumney	801.45	178.10
Thornton	508.95	113.10
Warren	432.90	96.20
Wentworth	274.95	61.10
	$5,850.00	$1,300.00

PRINCIPAL'S ANNUAL REPORT

I hereby submit my fifteenth annual report as Principal of Plymouth High School.

Our staff has four new members this year. Mrs. Gifford replaced Mr. Erickson; Mr. Dutton replaced Mr. Hamel; Mr. Aldrich replaced Mr. Rice and Mrs. Thomson is our first woman physical education teacher..

Our music department is very happy with its new piano, new instruments and other musical additions that come to over $11,000.00. These came through federal funds last year.

This year for our project we are having a developmental reading program and the services of a Psychologist to help our students and staff.

In the Junior High School Mrs. Hartman is working on the improvement of writing in all of her divisions. We are hoping to see an improvement in this field.

We have not as yet, received any official written report on our Youth and Adult Values Project in which our school participated last year, but we heard an oral report that is very complimentary to our students and their parents.

We are sorry that the "co-op" venture failed again this year and space is now getting to be a problem for our school. We have very little to offer for space in special fields such as small group work, committee work, conference rooms and activity rooms. These are an important part of a school. The communities must do everything within their power to eliminate

the problem. There is no doubt that the time has come for serious consideration of a new plant. Our physical education plant is too small for our athletic contests, physical education classes and other activities conducted in it.

The enrollment figures below will show that we are steadily climbing upward. Our present facilities have a proposed limit of 475 pupils and I am sure that we will surpass this figure in September 1967.

ELEMENTARY SCHOOL REPORT

TOWN REPORT

It is my pleasure to report to the residents of Plymouth the benefits we have received from Title I of the Elementary-Secondary School Act. The Federal monies made available to us, that you voted to accept, have been used in the elementary schools for two distinct projects.

MUSIC

Record players, tape recorders, musical instruments, pianos and records were purchased and are being used in the classrooms by the teachers and have greatly aided in the teaching of the children. The purchase of new music books has added to a broadening experience.

The Music Department, of Plymouth State College, has made available to us a number of music majors to give piano lessons to some of the children of Plymouth.

PSYCHOLOGIST

Dr. Page, Psychologist, began working with the teachers and myself on January 18th and will be here weekly for the remainder of the school year. Dr. Page will be working directly with the teachers to gain a better understanding of the individual child. The availability of Dr. Page to the schools is a tremendous asset to the Plymouth School District, the faculty and myself.

SCHOOL NURSE'S REPORT

The following is a report of the Plymouth school health program for 1966.

Dr. F. D. McIver, school physician, completed physical examinations for 310 pupils including members of athletic teams and pre-school children.

Kindergarten Registration was held in April this year. Dr. E. B. Crowell, school dentist, examined 30 children and was assisted by Miss Linda Theodore, R. D. H., Bureau of Dental Public Health. Mrs. Barbara McGlone, R. N. assisted on registration day.

During the past year the following services were available to pupils in the Plymouth Schools:

Speech evaluation - for 1 child at the Hitchcock Clinic, sponsored by Crippled Children's Services.

Child Guidance Clinic - appointment for 1 child

Lakes Region Family Service - 1 referral

Lindsay Fund - contribution toward puurchase of dentures

American Legion Child Welfare Fund - purchase of boots and shoes for four children

Special Fund - (Plymouth High School) - contribution toward purchase of dentures for one student

Bureau of Dental Public Health - matched funds raised by local organizations (Pemigewasset Woman's Club, B. P. W., Lions, Rotary, Elks, American Legion Auxiliary) for a dental clinic for children in grades K-8. Twenty-seven children were treated in this program by Dr. Donald Whitesell and Dr. Edward Crowell.

Two films were presented by the American Cancer Society to the girls in high school. Dr. Eugenia Kirk-Hume answered questions following the films. Later in the year, two films were shown by the N. H. Department of Health under the supervision of Lois Reed, R. N. Dr. F. D. McIver answered questions after these films.

At present there are 12 children receiving free mid-morning milk and hot lunch.
